

Swirl-way®  
Chatham™

Rectangular Whirlpool

Model 5019  
Shown in White

The Chatham™ whirlpool evokes Italian modern design, highlighted by the slightly raised lip and European styling. Designed for the bathing pleasure of two, the Chatham™ is the highlight of any master suite. An eight jet hydro-massage with two stacked micro directional jets at each end give the bather(s) the hydro-therapy needed after a hard days work.

### Rectangular Whirlpool

## Features and Upgrades

#### Micro Directional Jets

Four micro jets, adjustable in both direction and intensity, allows you to control your total hydromassage experience. Available in Color-Match, Chrome, Everbrass (PVD) or Brushed Nickel.

#### Stacked Back Jets

Two micro directional jets stacked at each end for a concentrated back or foot massage. The user(s) controls both direction and intensity.

#### Luxury Package

A SimpleSelect™ control, solid state-of-the-art, four function control with LCD display. Controls on/off, ten-speed pump, massage action, and MoodScape™ light. Package includes the solid state in-line heater and MoodScape™ light.

## Technical Information

Pump locations are shown for clarity.  
STD-standard pump location.  
ALT1 - optional alternate pump location.

**Note:** Nailing flange not available on this unit.

**Installer Note:** Due to the freeform shape of the tub shell, it is recommended that the tub be on the job before making the final cut-out for drop-in installation.

**Note:** Rough-in measurements may vary 1/4" (6.4 mm ±).
