Carton Upgrades for Models 146, 147 and 148

Mansfield® Plumbing announces a carton upgrade to models 146, 147 and 148. The improvements include upgrading from a 200# C-flute to a 275#BC double wall carton that will be a 50% improvement in bursting strength (from 32ECT to 48 ECT) and stacking strength (200 lbs. to 275 lbs.), additionally there would be increased product cushioning.

Please direct all questions to Joe Gugliuzza (419) 938-1395 or Russ Denney (419) 938-1431.

Thanks you,
