Oval Whirlpool

Features and Upgrades

Micro Directional Jets

Four micro jets, adjustable in both direction and intensity, allows you to control your total hydromassage experience. Available in Color-Match, Chrome, Everbrass (PVD) or Brushed Nickel.

Stacked Back Jets

Two micro directional jets stacked at each end for a concentrated back or foot massage. The user(s) controls both direction and intensity.

Luxury Package

A SimpleSelect™ control, solid state-of-the-art, four function control with LCD display. Controls on/off, ten-speed pump, massage action, and MoodScape™ light. Package includes the solid state in-line heater and MoodScape™ light.

Technical Information

Pump locations are shown for clarity.
STD-standard pump location.
ALT1 - optional alternate pump location.

Note: Nailing flange not available on this unit.

Installer Note: Due to the freeform shape of the tub shell, it is recommended that the tub be on the job before making the final cut-out for drop-in installation.

Note: Rough-in measurements may vary 1/4" (6.4 mm ±).
